

Physics Student Travel Grant Request

Department of Physics

Travel support grants are available from the Physics Department for graduate and undergraduate students presenting their research or participating in other research-related travel. Before applying for department travel funds, students should first consult their faculty advisor/major professor about other possible funding sources (e.g., externally funded grants). *Successful applications should provide a justification of the benefits for the student's professional development and progress toward completion of their degree.*

Student Name: _____ **Student ID #:** _____

Email: _____ **Phone #:** _____ **Classification:** **UG** **Grad**

Current Address: _____

City/State: _____ **Zip Code:** _____

Conference Name: _____

Dates of Trip: _____ **Destination:** _____

Primary Purpose for Trip:

Present Paper

Present Poster

Other (If selected, please explain below.)

Cost of Trip (\$): **Registration Fee:** _____ **Airfare:** _____ **Hotel:** _____

Transportation: _____ **Food:** _____ **Other:** _____

Total Estimated Cost of Trip: _____

Student Signature

Date

Documents to be attached & submitted to physics@unt.edu:

1. Clearly defined Statement of Purpose including justification and benefits for student's professional development and progress towards degree (maximum one page).
2. Acceptance letter for paper/poster presentation and abstract or documentation for other research travel.
